

# Florida Tropicals Direct

Premium Quality Tropical Program.

This top quality program is all greenhouse grown and delivers a florist quality product.

The Premium Hibiscus are all European hybrids with dark glossy foliage and exciting new flower colors that will last several days rather than the usual one day. Color assortment includes Red, Pink, Orange and Yellow all in single and double flowered forms.

The Exotic Hibiscus are extraordinary in there blooms. Flowers up to 8" across on sturdy plants with great looking foliage. Rumrunner is a great variety in that the color changes as the day progresses from Magenta red to Lavender and then by late afternoon it fades to a light yellow. There will be some other new colors included in this year's assortment.
